Directions

Carrot and papaya salad with roasted cashews: Put all the ingredients in a bowl and stir well, if necessary season to taste. Roulade of country chicken breast with peanut butter and spring leek: Make a fine paste from the spring leek, garlic, chili, peanut butter, sea salt and kitchen cream. Now flatten the chicken breast as a butterfly steak, spread the soy sauce on one side and place this side on cling film. Spread the other side with the fine paste, then twist the chicken breast into a roll, wrap the cling film around the outside, then secure with aluminum foil (twist into a candy). Then steam the rolls in the preheated combi steamer at 85°C in steam mode for approx. 20 minutes with a fan speed of 70%. Peanut butter dressing: Mix everything together in a high-performance blender to make a dressing, season to taste if necessary.
